MAKING CHILD'S LIFE A CELEBRATION

Sun Kidz

PRESCHOOL & DAYCARE

THE EXPERIENTIAL LEARNING METHODOLOGY (T.E.L.M.)

- Every child becomes a little scientist discovering colors in their own magical way.
- Learning through doing, exploring, and real-life experiences.
- 550+ curated lab materials that encourage hands-on exploration and active learning.
- We don't just teach letters – we make them come alive
- Builds curiosity, confidence, and holistic development..

THE LEADERSHIP & SOCIAL DEVELOPMENT (T.L.S.D.)

- Nature-based field trips to strengthen social interaction and real-world connection.
- Bi-monthly activity competitions to boost confidence and creativity.
- Interactive lab spaces that encourage sharing, cooperation, and teamwork.
- Value-based story enactments help children build communication skills, form friendships, and engage happily.

HOLISTIC WELLNESS MANAGEMENT & SELF-DEFENCE (H.W.M.S)

- Yoga and Pranayama everyday after prayer for Mind-Body Wellness.
- Indoor Swimming pool for Fun and Fitness.
- Regular focus on hydration supports children's overall health.
- Safe Indoor Cycling for skill building and Karate for Self Defence.
- Nutrition calendar ensuring every child receives 360-degree balanced nutrition.

THE APPLICATION & CREATIVE SPACE (T.A.C.S.)

- A simple lump of mud transforms into a canvas for a child's dreams, sculpted by imagination and emotion.
- Colouring and decorating self-created houses, dolls, and models to bring out their own creativity and imagination.
- Narrative drawings generation based on personal experiences and vacation situations.
- Blocks-based creations that encourage creativity, thinking, and expression.
