

Sunkidz – Admission Form Fields

This document lists every field currently collected by the Direct Admission form in the Sunkidz app, in the same order and grouping shown to the staff member filling it in.

Required — the app blocks submission until this field is filled in.

Optional — can be left blank; admission can still be completed.

Branch & Class			2 fields
Field	Input Type	Options / Notes	Status
Branch	Dropdown (single-select)	Populated from the school's list of branches	Required
Class / Grade	Dropdown (single-select)	Populated from the classes available in the selected branch	Required
